
CLINE FIRE – EXPERIENCED CABLING INSTALLER

Cline Fire, LLC is looking for an experienced candidate to fill the position of Cabling Installer. *Minimum of two years installing electrical cabling, does not have to be fire alarm cabling specifically*

Cabling Installer – Full time - Pay is starting \$20/hr + based on experience

As a Cabling Installer, you will work on the installation of fire alarm systems, including conduit, cabling, and related equipment.

Primary Responsibilities:

- Working in new-build and renovation commercial and industrial settings to install fire alarm cabling and equipment
- Other duties and responsibilities as assigned

Position Requirements:

- **Must be experienced installing electrical cabling**
- **Must be proficient with bending, cutting, and mounting conduit**
- **Must be proficient in operating hand tools**
- **Must be able to read and interpret installation blueprints**

Employment Requirements:

- Willingness to travel throughout Ohio with a company-provided vehicle (generally during regular business hours)
- Valid driver's license with a good driving record
- Ability to pass a drug test, background check, and BMV check
- Ability to climb up and down ladders, lift and carry over 60lbs, and operate a scissor lift
- Ability to pass required licensing test(s)
- Effective written and verbal communication skills

Compensation:

Compensation will be based on an hourly wage for actual time worked with a half-hour unpaid lunch. Pay for wages and benefits will be issued fortnightly through company payroll. This position is eligible for PTO, holiday pay, and tool reimbursement in accordance with Cline Fire's policies and the health insurance and company-matched retirement plan offered by Cline Fire, but no additional benefits or compensations, whether directly stated or implied.

Cline Fire, LLC is an equal employment opportunity employer.
